One of the highlights of Electric Zoo 2010 was a triumvirate of techno at Sunday School, made up of Mathias Tanzmann, Davide Squillace and Martin Buttrich! Martin was attending this years festival ahead of the Verboten After Zoo party on Sept 4th. He kindly took some time to chat to CGNY!

For more info about Martin -please viist <http://www.myspace.com/martinbuttrich> or <http://www.facebook.com/>
