[Anja Schneider](#) has been a techno champion for a long time, bringing the Berlin sound around the globe as a dj and co-founder of [Mobilee Records](#) (with Rolf Kollmann). With a growing stable of hot artists on the label including CGNY favorites [Pan Pot](#) and [Sebo K](#) among many, the Mobilee sound is alternatively dark and melodic! We caught up with the lovely Ms. Schneider ahead of the Mobilee showcase at [Movement](#) in Detroit earlier this year.

Many thanks to gofest.tv and [Chris Schoedel](#) for the tape/edit!
